### § 811.108 Debt service reserve.

#### §811.110 Refunding of obligations issued to finance Section 8 projects.

(a) This section states the terms and conditions under which HUD will approve refunding or defeasance of certain outstanding debt obligations which financed new construction or substantial rehabilitation of Section 8 projects, including fully and partially assisted projects.

(b) In the case of bonds issued by State Agencies qualified under 24 CFR part 883 to refund bonds which financed projects assisted pursuant to 24 CFR part 883, HUD requires compliance with

the prohibition on duplicative fees contained in 24 CFR part 883 and with paragraphs (f) and (h) of this section, as applicable to the projects to be refunded.

(c) No agency shall issue obligations to refund outstanding 11(b) obligations until the Office of the Assistant Secretary for Housing sends the financing agency a Notification of Tax Exemption based on approval of the proposed refunding's terms and conditions as conforming to this part's requirements, including continued operation of the project as housing for low-income families, and where possible, reduction of Section 8 assistance payments through lower contract rents or an equivalent cash rebate to the U.S. Treasury (i.e. Trustee Sweep). The agency shall submit such documentation as HUD determines is necessary for review and approval of the refunding transaction. Upon conclusion of the closing of refunding bonds, written confirmation must be sent to the Office of Multifamily Housing by bond counsel, or other acceptable closing participant, including a schedule of the specific amount of savings in Section 8 assistance where applicable, CUSIP number information, and a final statement of Sources and Uses.

(d)(1) HUD approval of the terms and conditions of a Section 8 refunding proposal requires evaluation by HUD's Office of Multifamily Housing of the reasonableness of the terms of the Agency's proposed financing plan, including projected reductions in project debt service where warranted by market conditions and bond yields. This evaluation shall determine that the proposed amount of refunding obligations is the amount needed to: pay off outstanding bonds; fund a debt service reserve to the extent required by credit enhancers or bond rating agencies, or bond underwriters in the case of unrated refunding bonds; pay credit enhancement fees acceptable to HUD; and pay transaction costs as approved by HUD according to a sliding scale ceiling based on par amount of refunding bond principal. Exceptions may be approved by HUD, if consistent with applicable statutes, in the event that an additional issue amount is required for project purposes.
